

Dr. Jennifer Pearlman, MD CCFP NCMP FAARM ABAARM CFA

*“We help women **age well** from the inside out with **a personalized approach** harnessing the very best treatment and technology to discover their **Ageless Vitality**”*

Dr. Jennifer Pearlman is a nationally recognized medical expert in Women’s health, hormones and beauty. As Medical Director and owner of Pearl^{MD} Rejuvenation, Dr. Pearlman helps her patients age well from the inside out.

As a *Certified Menopause Practitioner* by the North American Menopause Society (NAMS), Dr. Pearlman is attending Staff Physician at the *Menopause Clinic at Mount Sinai Hospital* in Toronto- the largest of its kind in Canada. With expertise in both holistic medicine as well as science-based Western medicine, Dr. Pearlman has successfully completed a *Fellowship in Functional, Anti-Aging and Regenerative Medicine (FAARM)* and is board certified in *Anti-Aging and Regenerative Medicine (ABAARM)*. Committed to education and her profession, she is actively involved in training peer physicians and medical trainees and has served has been repeatedly called to serve as a medico-legal expert. Dr. Pearlman has been designated to work as an expert consultant to other physicians in the area of Women’s health and mental health by the *Ontario Medical Association*.

Dr. Pearlman has cultivated an expertise in the art and science of cosmetic medicine, taking a holistic approach to rejuvenation of the face and body based on the belief that beauty comes from within. Dr. Pearlman has helped train other physicians in cosmetic injection technique and regularly attends cosmetic medical meetings to stay current with the latest techniques and technologies. She has had the opportunity to work and train with leading experts in this field across North America.

Striving to create a medical skin care line offering the most effective targeted treatments for her patients, Dr. Pearlman created The Pearl^{MD} Skin Care_{Rx} line to provide pharmaceutical grade skin-active ingredients, without potentially harmful chemicals, to lighten, brighten, and revitalize the skin.

Dr. Pearlman is a sought after expert in the area of Women’s health, hormones and beauty. She is a regular contributor to the Globe and Mail National Newspaper (print and online), an invited expert contributor to Canadian Health & Lifestyle magazine, and Huffington Post Canada online magazine. Dr. Pearlman has been featured on American and Canadian TV, appearing in the nationally syndicated Valley View Live from Las Vegas, KNTV and local talk shows including CityTV, CTV, and Rogers Day time. Dr. Pearlman lectures to both colleagues and the public having recently given keynote addresses at the Fierce Feminine Leadership, Women of Distinction IGNITE conference, the National Women’s Show, WE Connect Canada Meet the Experts Panel, Women’s President Organization Annual meetings, and various medical meetings. Dr. Pearlman is the recipient of numerous awards including the 2013 Enterprising Women of the Year Award, awarding for outstanding community service. Dr. Pearlman’s public speaking and multiple publications cover a range of topics including; navigating menopause, demystifying bioidentical hormones, brain health, sexual health, breast cancer prevention, and healthy aging.
